

JUNGLE EXPLORER™

VEHICLE

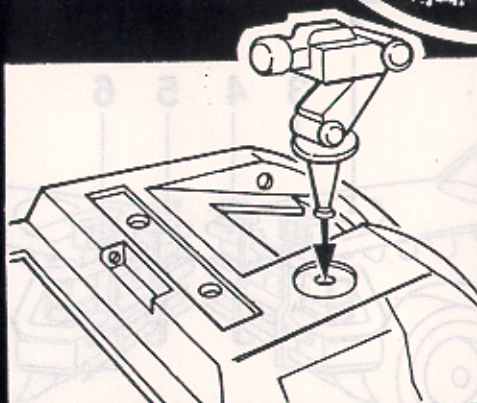

ASSEMBLY

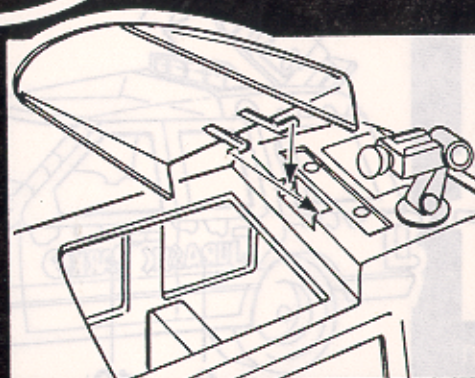

ONE-TIME ASSEMBLY
Once assembled, cannot be taken apart!

1. Snap all four wheels onto axles.

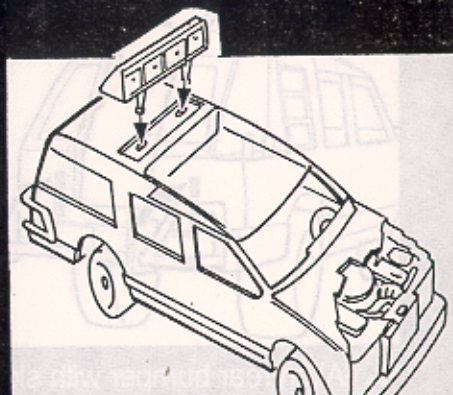

ONE-TIME ASSEMBLY
Once assembled, cannot be taken apart!

2. Snap camera into hole in roof.

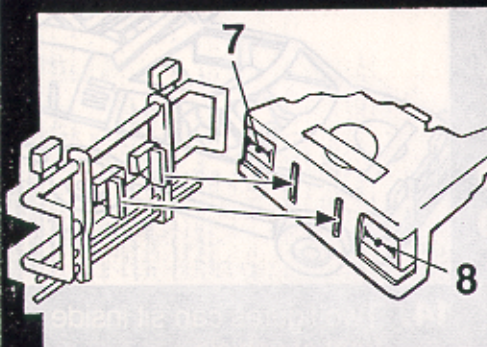

3. Position one peg on window canopy in hole, then snap other peg into opposite hole.

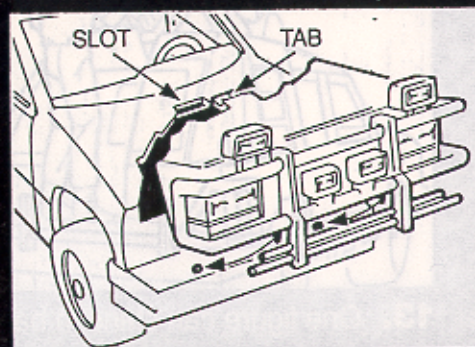

ONE-TIME ASSEMBLY
Once assembled, cannot be taken apart!

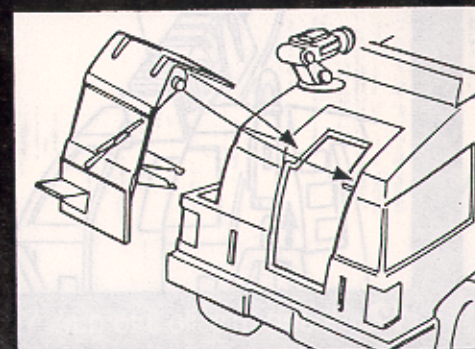

4. Push down on light bar to snap in place.

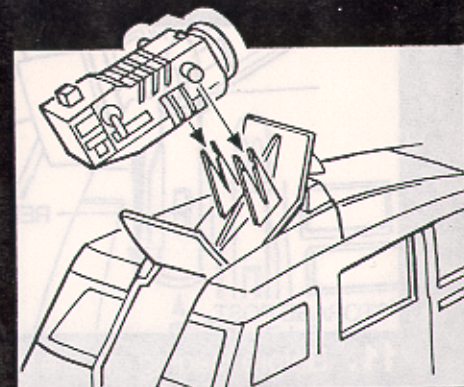

5. Apply labels 7 & 8 before assembling front bumper. Align front bumper with slots on front of vehicle and push it into position.

6. Assemble hood by inserting tab into slot, and align pegs with holes in bumper. Snap it shut by applying light pressure to front of grill.

7. Position one peg on rear door in hole, then snap other peg into opposite hole.

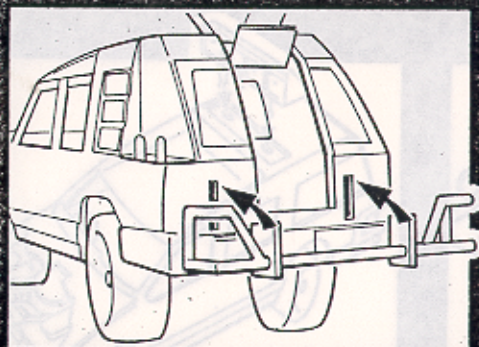

8. Snap "Blood Sample" gun into slots in rear door.

9. Align rear bumper with slots on rear of vehicle and push into position.

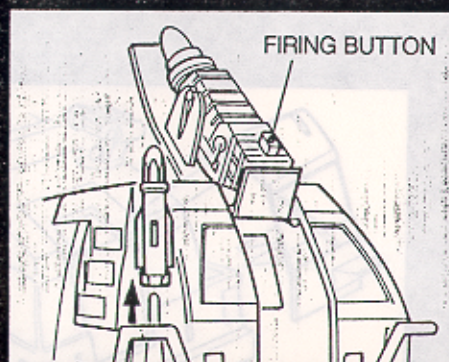

10. Apply labels to assembled pieces using numbers on label sheet and these illustrations as a guide.

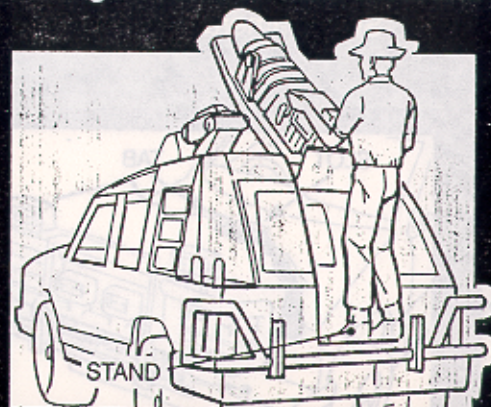

OPERATION

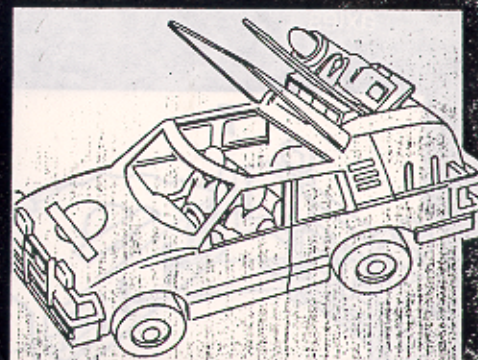

11. Before loading missile in gun, deposit "Blood Sample" by pressing missile down on storage post. (Missile should not be loaded in gun if red is shown.)

12. Insert missile into gun. You will hear a click when it is loaded. Pull back on button to fire. Store missiles on storage posts when not in use.

13. One figure can stand in back.

14. Two figures can sit inside front of vehicle.
