You're the proud new owner of not one, not two, but *three* fun-loving Happy Pups from the LITTLEST PET SHOP!

12650

Each of these lovable pups does something special and needs lots of love and attention from you! They need you to name them, feed them and take care of their Puphouse. They love to play inside the puphouse and outside in the yard!

Poses may require additional hand support.

This friendly puppy wants to shake hands with you. Press his tail down and he'll give you his paw. He really likes you!

Push down the pretty poodle's tail and she'll scratch her long floppy ear!

This special pup loves to play with the newspaper! Move it in front of his nose and the puppy's head follows it. Or push him towards the paper and he'll fetch it for you... what fun!
