**Subject:** Cincinnati "morgue"

Todd / Heather:

Please find attached below the current status, and my final report (last day today) on the Cincinnati "morgue" project. You will each be receiving a complete copy of my marked-up inventory list through the interoffice mail, with a copy of the attached memo. [REDACTED], who will now be the point person for this project here, has the original of the marked-up list.

Hope this helps!

Best regards,

[REDACTED]
